# THE BEAUFORT SOCIETY

REMEMBERING THE PAST,  
LOOKING FORWARD TO THE FUTURE

## MEMBERSHIP

Anyone informing us that they have promised a gift to St John's in their will is welcomed as a lifetime member of the society. Members and their guests are invited to an annual event in College in the autumn, enabling them to keep in touch with College life and meet other members. A smaller, more informal event takes place in the spring, which typically includes a tour and a buffet lunch. As a small gesture of our appreciation, members are given a silver pin in the shape of a marguerite – Lady Margaret's flower. The marguerite will be familiar to Johnians and regular visitors, as it is represented all over College, from the Great Gate to the drainpipes in Chapel Court.

## MESSAGE FROM THE PRESIDENT

Professor the Lord Hennessy of Nympsfield FBA

It is a great honour to succeed my old friend Professor Richard Perham as President of the Beaufort Society. Like so many Johnians, I remember my time in College vividly

and with an intense affection and gratitude. I do hope you will join me and other society members in supporting St John's in this way, and I look forward to seeing you at the next society event.

THANK YOU FOR SUPPORTING ST JOHN'S

## The Beaufort Society

St John's owes its very existence to a legacy, made more than 500 years ago. Since Lady Margaret Beaufort's founding bequest, many men and women have supported the College through a gift in their will, helping to make St John's the vibrant and flourishing community it is today. In recognition of the enormous contribution made by those leaving a legacy, and in honour of our Foundress, the College established the Beaufort Society in 2009.
